Zeffy: keep every dollar your community gives

Zeffy is a donation and ticketing platform for nonprofits that charges the organization nothing, not even card processing. Every dollar a member gives reaches the shul's bank account.

\$0

on every plan

100%

of each gift lands in your shul's
account

~\$3,000

kept per \$100K raised vs. a typical
2.9% + 30¢ processor

HOW CAN IT BE FREE?

At checkout, donors are offered an optional tip to Zeffy. Donors can set it to \$0. Zeffy reports that about 2 of 3 donors leave one, which covers its costs. Your shul is never billed.

Fee math: \$100,000 in \$180 gifts $\approx 556 \text{ gifts} \times (2.9\% + \$0.30) \approx \$3,070$ a year.
